

Commission on Diversity, Equity, and Inclusion

2022-2023 Call for Proposals

The American Society for Engineering Education (ASEE) envisions widespread, inclusive, and equitable environments in engineering, academia, and industry that embrace individual differences and leverage diversity for a better engineered tomorrow.

For answers to questions not found on our web page, please contact us.

The CDEI Professional Development Committee is led by Brianna Benedict McIntyre (bbmcintyre@vt.edu).

The ASEE Commission on Diversity, Equity, & Inclusion (CDEI) Professional Development Committee invites interactive proposals for the 2023 ASEE Annual Conference, and our ongoing virtual series.

- Workshop styles may include professional development programming, creative and collaborative dissemination of practitioner-focused research, interactive panel discussions, and other relevant community conversations.
- Topics should be relevant to diversity, equity, and inclusion in engineering and related sectors across industry, government, and academia.
- We encourage collaboration across professional societies, academic institutions, for- and not-for-profit organizations, research units, and other engineering communities.

Deadlines:

- Submissions for the 2023 ASEE Annual Conference and Exposition are due by Tuesday, November 15, 2022.
- Submissions for the virtual series are accepted and reviewed on an ongoing basis.
