DID YOU KNOW? Commissions support ASEE's strategies and priorities by activating the vast network that is all of ASEE. All ASEE units, divisions, and partners should have a representative on each commission.

What's the difference between a division and a commission?

VISION

ASEE envisions widespread, inclusive, and equitable environments in engineering, academia, and industry that embrace individual differences and leverage diversity for a better engineered tomorrow.

MISSION

- To increase visibility and discussion of diversity issues.
- To help develop inclusive environments for all engineers to thrive.
- To facilitate and encourage use of translatable strategies that enable both bottom up and top down empowerment.

VALUES & PRIORITIES

PARTNER

We partner with ASEE groups to assess and implement equitable and inclusive policies and practices that advance ASEE's vision, mission, values, and goals.

MODEL

We listen to the needs of ASEE members, and seek to lead authentically, transparently, and inclusively by modeling best DEI practices.

EMPOWER

We aim to cultivate a supportive, respectful, and accountable community that empowers us to strive for diversity, equity, inclusion, and justice in engineering.

GROW

We provide opportunities and support for the engineering education community to grow in their DEI knowledge, capabilities, and effectiveness.
